Dear Friends,

I have the pleasure to send you the following information related to the organisation of the FINA Diving Development School scheduled to be held in Singapore (SGP) from 28th to 29th March 2020.

The purpose of this course is to achieve the following objectives:

- Enlarge the number of judges and enhance the quality of the existing ones;
- Create a uniform pattern of interpretation and application of Diving rules, thus raising the quality of judging;
- Use the course as an instrument to develop and promote Diving worldwide.

Please note the following information related to the designation & development courses for Diving judges:

- The FINA Diving Development Schools are designed to meet the needs of those National Federations who have requested judges’ instruction and do not have any judges training in place
- The course caters to those participants with limited basic knowledge or no experience in judging
- Candidates must be at least 16 years old on December 31 of the year of the Development School
- Online Test: it is recommended that the candidates complete a non-compulsory Online Test through the FINA Learning Platform by the end of the school they have registered for.

Further information concerning the FINA Diving Schools and the judges’ certification process is available at the FINA Learning Platform.
