All Open Challenges Swims shall be held on the same day as the 10km elite races, and may extend to a day either side. Such Open Challenge Swims shall serve to encourage and increase grassroots participation in Open Water Swimming and all registration/entry procedures and fees are administered by each HMF/OC.

The Open Challenge Swims should also have a manual check-in/check-out system outside of the timing mats as a secondary safety check that all swimmers are accounted for.
