

MEMORANDUM

TO: SWIMWEAR MANUFACTURERS
FROM: FINA Office – Lausanne
DATE: 23 March 2020
RE: UPDATE - FINA Swimwear Approval – Submissions 2020

NUMBER OF PAGES INCLUDING THIS ONE: 1

Dear Sirs,

The spread of the coronavirus these past few weeks is affecting the lives of people worldwide and we are all confronted with great challenges.

We understand that in this critical situation many industries are facing unprecedented difficulties, therefore under the current circumstances FINA Swimwear Approval Committee will **extend the deadline for the 2nd Submission**, and will allow applications to be received by the FINA office **until the 1st of June 2020**.

Furthermore, already now we would like to inform you that one more session on **15th of September 2020**, previously planned for resubmission only, will be open to all manufacturers as additional opportunity for ordinary submission.

Unfortunately we will not be able to provide the companies with opportunity for pre-avis tests in April, as the laboratory will not be available, thus this pré-avis session will not be announced. The dates for the next pre-avis session in November will be communicated in due time.

Please take note that as for now, the FINA office is closed until the end of April, but everyone continue working remotely from home. Should you require further update or information please feel free to visit the [FINA website](http://www.fina.org).

To communicate with us via e-mail, please address your questions to: projects@fina.org.

In this crisis, the world is facing a real challenge, but we would like to be sure that the situation will be back to normal very soon.

Meanwhile I wishing you all the best, stay healthy and take care of yourself.

Sincerely yours,

Cornel Marculescu
